About UNNATI

UNNATI, a unique initiative by the Chaudhary Foundation, caters to the economic growth, evolution of heritage, and living knowledge systems of Nepal. As the abbreviation suggests, it is the focal point for **Upscaling National, Natural, Artistic, and Traditional Industries**. UNNATI's philosophy of revival entails the survival of national heritage through forms of arts, crafts, dance, music, foods, language, and habitat, encompassing the philosophy of life by which civilisations once thrived in culture and traditions. The essence is to bring the lost and found, old and new, back into our everyday lives.

UNNATI is a living ecosystem whose engagement and efforts to harness the tangible and intangible disciplines of artistic industries are growing and evolving with a bottom-up approach in the economic pyramid.

Our Products

Our product ranges from hand-thrown ceramics, table textiles to home décor, wellness, spa essentials and many crafted natural fiber products, designed with a balanced of authenticity and contemporary style. With over 200 fast-moving, affordably priced items—including home décor, tableware, wellness products, souvenirs, and accessories—Unnati Bazar offers something for every home and lifestyle.

We also undertake customized orders as per requirements, ensuring products are tailored to specific needs & preferences.

Why Us?

Unnati envisions a Nepal where traditional skills and cultural wisdom are not only preserved but thrive. We are a multidisciplinary program fueling creative and cultural economies and safeguarding living heritage ecosystems.

Our mission is to bring Nepal's timeless artistry and craftsmanship to the global stage through thoughtful design, authentic production, and meaningful market connections. Every product, crafted by ethnic and indigenous communities, not only preserves invaluable traditional skills but also supports sustainable livelihoods.

From the ancient art of Raku firing to ceramics infused with natural fibers, from richly textured textiles to soulful handmade soaps and candles each piece tells a story of purpose and originality.

Through UNNATI, embrace craftsmanship that cares, products that are not only beautiful, but also deeply meaningful.
