UNNATI CULTURAL VILLAGE

The Unnati Cultural Village is a unique initiative of the Chaudhary Foundation that fuels the evolution of heritage, multidisciplinary arts, crafts and living knowledge systems of Nepal, through its harnessing, preservation, promotion and resultant economic growth.

Unnati's philosophy of revival of national heritage through forms of arts, dance music, literature, cuisine and traditional habitat is intended to bring the past into the present. It is a sustainable creation of cultural wealth and artistic endeavor that speaks both to the traditional as well as the contemporary. The intention is to incubate a program that is sensitive and holistic.
