About Unnati Cultural Village

The Unnati Cultural Village is a unique initiative of the Chaudhary Foundation that fuels the evolution of heritage, multidisciplinary arts, crafts and living knowledge systems of Nepal, through its harnessing, preservation, promotion and resultant economic growth.

Unnati's philosophy of revival of national heritage through forms of arts, dance music, literature, cuisine and traditional habitat is intended to bring the past into the present. It is a sustainable creation of cultural wealth and artistic endeavor that speaks both to the traditional as well as the contemporary. The intention is to incubate a program that is sensitive and holistic.

Unveiled Visions

Presented by Unnati Cultural Village, this group art exhibition aims to encourage, promote, and provide a platform for Nepal's budding contemporary artists. The exhibition explores Nepali modern, exploratory, socio-cultural, traditional, and contemporary art, weaving a compelling visual narrative of everyday life and addressing pertinent issues. Nepal's rich cultural heritage—spanning the Himalayas, Hills, and Terai—offers diverse languages, traditions, and artistic expressions, all of which are reflected in this showcase. The featured artworks highlight the aesthetic essence of contemporary, modern, and postmodern Nepali art, emphasizing its cultural and artistic values.

The exhibition is open for two months from 26th Oct to 26th Dec 2024 at the UCV Gallery, Unnati Cultural Village, Harkapur, Nawalparasi, and features the works of 13 young contemporary Nepali artists, aged between 20 and 35 years.
